TOTS AND  
TWEENIES  
LEARN LEAD LOVE

December  
2025

Hello and welcome to our Winter Newsletter!

We've had a lovely season filled with learning, play, and exploration.

## Learning through play

Building early language and number skills through winter stories, alphabet matching, and counting activities.

## Physical Development

Strengthening balance and coordination using soft blocks, rings, and cones during active play.

## Expressive Arts & Design

Getting creative with seasonal art and craft to express ideas and imagination.

## Understanding the World

Exploring the outdoors, learning road safety, and discovering new textures through winter tuff trays.

## Tips for our Parents

The winter and holiday season is a wonderful time for learning through everyday moments at home.

- Talk about winter weather, festive lights, and warm clothing to build vocabulary.
- Count decorations, cards, or table settings to support early maths.
- Keep children active indoors with simple movement and ball play.
- Enjoy festive crafts to develop creativity and fine motor skills.
- Take short winter walks to explore nature and practice road safety.
