

Summer Newsletter 2025

FUN IN THE SUN!

August 2025

A Warm Hello from Tots And Tweenies

As the sunshine brightens our days, our little learners have been busy making memories, building skills, and enjoying every moment together. Here's a glimpse into our summer highlights:

Splish, Splash, Water Fun!

Children had a blast in our water fight, laughing and cooling off while creating unforgettable summer memories.

Did you know? Water play helps build sensory skills and teamwork — children learn to share space and anticipate others' actions.

Individual Growth, Every Step

Each child continues to receive individual attention, with activities thoughtfully tailored to their unique progress and development.

Tailored learning strengthens self-esteem — children thrive when they feel seen and valued as individuals.

Freedom to Imagine

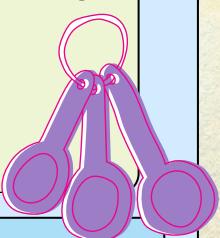

From painting to play-acting, children explored activities that encouraged creativity and gave them the freedom to showcase their imagination.

Creative play isn't just fun — it builds problem-solving skills and helps children express emotions in healthy ways.

Little Chefs in Action

Our budding bakers put on their aprons and whipped up delicious cupcakes — smiles (and sprinkles!) all around. Cooking activities improve fine motor skills and introduce early maths concepts like measuring and sequencing.

Celebrating Farewells

We joyfully cheered on our little graduates as they set off for their next adventure — a bittersweet moment filled with pride and happiness.

“There are two lasting gifts we can give our children: one is roots, and the other is wings.”

A Note to Our Parents

A big thank you to all our parents for your constant support — from morning drop-offs with a smile to encouraging your children's learning at home. Your involvement makes these special moments even more meaningful, and together we're creating a nurturing environment where children can truly flourish. This summer has been full of joy, learning, and creativity. We're already excited for the new term ahead — and are looking forward to welcoming both familiar and new faces on 3rd September!
