REMINDER: ABSENCE REPORTING PROCEDURE

Parents/carers must inform the nursery of their child's absence before 9:30am on the day, along with a brief reason.

If we do not receive notification:

We will contact the primary parent/carer.

If there is no response, we will try the second parent/carer.

If needed, we will contact the emergency contacts provided.

If we are still unable to reach anyone, we will follow our safeguarding procedures and may seek advice from the London Borough of Redbridge Children's Services to ensure your child's safety and wellbeing.

This procedure is in place to make sure all children are safe and accounted for. We appreciate your cooperation and support.

You can look at our absent policy online <https://totsntweenies.co.uk/policies-2/#policy-attendance>
